ARTSOUTHWA Inc. is an innovative, regional organisation promoting contemporary and traditional art and craft created by artists and craft practitioners living and working in the Great Southern region of Western Australia. Membership includes regionally based art and craft practitioners, commercial art and craft galleries/outlets and art organisations sharing an interest in the objectives of ArtsouthWA. Important ArtsouthWA activities include the presentation of the annual Southern Art & Craft Trail and maintaining a website which showcases our ArtsouthWA members, www.artsouthwa.com.au. It also conducts skill development workshops and activities for art & craft practitioners and maintains communication links with other art and craft organisations in the State and region. Members receive discounts on the cost of most of ArtsouthWA's initiatives, as well as occasional email newsletters keeping them up to date with news of such things as commission opportunities, art and craft competitions, employment prospects, events and projects and the comings and goings of other ArtsouthWA members.
