PROMOTING ART & CRAFT IN THE GREAT SOUTHERN

# ArtSouthWA

## SPONSORSHIP PROPOSAL

### *ArtSouthWa Inc.*

ArtSouthWA Inc. is an incorporated not-for-profit organisation, run by a committee of volunteers and contracted personnel. We promote a diverse range of arts and crafts for our members within the southern region of Western Australia. Members include regional based art galleries, practitioners and arts organisations.

ArtSouthWA Inc. operates all year round, with the biggest undertaking being the organisation and running of the annual Southern Art and Craft Trail.

Throughout the year we promote our sponsors and members through the listing in our website directory, and utilise Facebook and Instagram. We also run professional skill development activities and workshops. Constant networking with other similar organisations means we are able to inform our Members of events and opportunities of interest, while constantly promoting Sponsors.

### *The Southern Art and Craft Trail Event*

The Southern Art and Craft Trail is the major annual event run by ArtSouthWA. The Trail is now in its 17th year, and increasing in participation each year. In 2018, 345 Artists took part in the Trail, all living and working in and around the Southern Region of Western Australia. In 2019 the Southern Art and Craft Trail towns will include Albany, Torbay, Denmark, Walpole, Manjimup, Lake Grace, Kojonup, Cranbrook, Katanning, Gnowangerup, Esperance, Hopetoun and more.

The 2019 Southern Art and Craft Trail will run from the 21st September to the 13 October. Approximately 95 different venues, including cafes, wineries, galleries, local businesses, community halls, libraries, art centres, studios and pop-up spaces will be used. These venues will also be supplied with a Trail Kit that includes Sponsor's materials, offers and general promotions.

Last year a new website was launched to support the promotion of our Sponsors and members. It enables visitors to find Sponsor's websites and contact details, find artists geographically and read about their works, and interact through Facebook and Instagram.

15,000 copies of the professionally designed Trail booklet will be distributed across an area as detailed above. It provides an advertising opportunity for Sponsors and local businesses, with most levels of Sponsorship receiving advertising space as part of their benefits.

### *The Event Objectives*

The Southern Art and Craft Trail seeks to promote and market a wide range of venues and artists in a three-week time-frame, and attract locals and tourists to explore, experience and purchase local artworks within the Southern Region of WA. The event endeavours to bring additional income from tourists, increasing overall visitor numbers, with the flow-on effect of increased use of services and interaction with the Southern Region of WA businesses and Community.

### *Benefits to your Business*

While an association with the 2019 Southern Art and Craft Trail aligns your business with the values and ethics of an enriched community, it is expected that it will also make you a preferred choice of supplier with current and new customers.

## SPONSORSHIP PROPOSAL

Arts and Culture provide a huge source of income Australia wide with statistics showing that around 25% of people over 15 years of age attend art galleries and events each year.

This continuing trend is summarised for the visual arts in WA in the Creative Industries Statistical Analysis for Western Australia. (Dept Culture and the Arts, 2013)

*It says: ... industries like visual arts, are critical for promoting a vibrant culture and engaging lifestyle, helping define Western Australia as a place where people want to live. For this reason, the arts – at the grassroots level – need to be supported and encouraged to develop as a critical component of WA's 'enabling infrastructure', in support of economic and community development. (p 36)*

Through your association with the Southern Art and Craft Trail you are showing that your business is one that supports community wellbeing and progress.

### *The Demographic Match*

Through your support of the Southern Art and Craft Trail you are also gaining access to a demographic that matches those you are wanting to make your own customers.

#### *Demographic profile of the Art Buyer*

- o Predominately female decision makers
- o Professional, semi-retired, retired
- o Disposable income
- o Home owners
- o Influenced by both rational and emotional decision making
- o Appreciation of 'the finer things in life'

While this represents the majority buyer, it is understood that partners, children and extended family are also influenced by this person.

This person buys cars, determines decors, selects holidays, and makes or influences all major spending of household income.

If these are the people with whom you would like to connect, then Sponsorship of the 2019 Southern Art and Craft Trail would provide an intelligent spend in your Promotional budget.

#### **Visitor numbers**

2019 Estimated total number of attendees: 13,000 (16,500 total – repeat attendees)

#### **Participant numbers**

Estimated total number of Artists - 355

#### **Geographic spread**

North to Lake Grace, east to Esperance, south to Albany, west to Manjimup and Pemberton.

**Trail packs\*** go to all venues, with number depending on venue numbers for each year. In 2019 it is expected to be 90+ venues. They contain the Venue's Trail display materials and resources. Putting your information into these packs means you are talking directly with multiple Commercial venues and their visitors throughout the Trail area.

### *Flexible packages*

Sponsorship arrangements are designed to be flexible and negotiated with each individual Sponsor; for example, you might supply goods and services as part of your arrangement. We are happy to sit down with you and create an arrangement that benefits all.

### *Other Opportunities*

If Sponsorship is not part of your 2019/2020 promotions strategy then other opportunities to be involved and show support of the Southern Art and Craft Trail include:

**Donations:** These can be in the form of cash, or vouchers for services and/or products. These can be used for competitions and prizes throughout the Trail.

**Advertising:** The Trail booklet offers advertising space. See Appendix 1 for details

**Trail pack inclusions:** Discount vouchers with special offers, vouchers for services and/or products can be included in the Trail pack. These are printed at the Donor's cost.

### *Measures of Success*

Measuring the success of your Sponsorship comes in two parts.

#### **What we will do:**

- Take visitor surveys throughout the 3 week Trail. These will record both quantitative data – numbers of visitors, and qualitative data – Sponsor recall (and other data).
- Measure advertising readership, online 'views', visits to Sponsors' information on the website

This data will be made available to you at the end of the Trail, as soon as it is gathered, collated and analysed.

#### **What you can do:**

- Ask new customers where they heard about you and record this. It is not difficult to set staff up with a simple document that prompts them to ask a couple of questions, and allows them to record the answers.

It is recommended that this would be done during and up to a month or more after the Trail ends. Between our and your data you will be able to analyse the benefits of the Sponsorship to your organisation.

What also needs to be pointed out are the 'immeasurables'. That is, your enhanced reputation, word of mouth referrals, your standing in the community and more. These are Public Relations benefits that help to support and grow your business.
