Promoting the Arts of the greater southern region of WA

ArtSouthWA

2025 SPONSORSHIP PROPOSAL

ArtSouthWA

ArtSouthWA is an incorporated not-for-profit organisation, run by a Board of volunteers and contracted personnel. We promote a diverse range of arts and crafts for our members within the southern region of Western Australia. Members include regional based art galleries, practitioners, and arts organisations.

ArtSouthWA Inc. operates all year round, with our newest undertaking being the organisation and running of the inaugural Easter Arts Festival.

Throughout the year, we promote our sponsors and members through their listing on our website directory, Facebook, and Instagram. We also run professional skill development activities and workshops. Constant networking with other similar organisations means we can inform our Members of events and opportunities of interest, while constantly promoting Sponsors, with the newest opportunity being the Easter Art Festival

The Easter Arts Festival

The Easter Arts is the major annual event run by ArtSouthWA and the first of its kind in the region. It will be a community Arts Festival that will bring together a multitude of differing artists, which will include art & craft, music, dance, poetry, literature and varying workshops for the participation & enjoyment of the local community and our visitors. The Easter Arts Festival will bring together the communities of Albany, Torbay, Denmark, Walpole, Narrikup, Mt Barker and Bremmer Bay.

The inaugural 2025 Easter Arts Festival will run over 9 days from 12th April to the 20th April. This period includes Easter & part of the school Holidays. It is also traditionally one of the busiest tourism periods on the South Coast and adjacent inland areas. ArtSouthWA is anticipating at least 40 plus different venues, including cafes, wineries, galleries, shop fronts, community halls, libraries, art centres, studios and pop-up spaces. The venues will be supplied with an Easter Arts Festival Kit that can include Sponsor's materials, offers and general promotions.

Our website supports the promotion of our Sponsors and Members and enables visitors to find Sponsor's website and contact details, find artists geographically and read about their works, and interact through Facebook and Instagram.

Between 8,000 to 10,000 copies of the professionally designed A5 Easter Arts booklet will be distributed across Albany, Torbay, Denmark and Walpole, Mt Barker and Bremmer Bay. The distribution will also include all types of accommodation throughout the area. It will provide an advertising opportunity for Sponsors and local businesses, with most levels of Sponsorship receiving advertising space as part of their benefits.

The Event Objectives

The Easter Arts Festival event seeks to promote and market a wide range of venues and artists in a 9-day timeframe, and attract locals and tourists to explore, experience and purchase local artworks, enjoy performance art and music and participate in workshops within the South Coast Region of WA. The event endeavours to bring additional income from tourists, increasing overall visitor numbers, with the flow-on effect of increased use of services and interaction with the South Coast Region of WA businesses and Community.

Benefits to your Business

While an association with the 2025 Easter Arts Festival aligns your business with the values and ethics of an enriched community, it is expected that it will also make you a preferred choice of supplier with current and new customers.

2025 SPONSORSHIP PROPOSAL

“Domestic arts tourism supports local jobs and economies while enriching and connecting Australians through creative experiences. Arts experiences play a vital role in the daily lives of Australians and a growing number of Australians are engaging with the arts on both daytrips and overnight trips”.

This continuing trend is summarised in the “Domestic Arts Tourism” study (Australian Council for the Arts 2020). Their research brings together data from Tourism Research Australia’s (TRA) National Visitor Survey with additional resources to provide insights into domestic arts tourism in Australia. It says: *“In 2018, Australians took 12.3 million daytrips and 13.4 million overnight trips within Australia that included arts activities. Since 2014, there have been increases in the total numbers of tourists engaging with arts activities on both daytrips (+14%) and overnight trips (+20%)”* (p 3) and “Arts tourists are high value tourists – they are more likely to stay longer and spend more when travelling than domestic tourists overall” (p 7).

The Demographic Match

Through your support of the Easter Arts Festival, you gain access to a demographic that matches those you are wanting to make your own customers.

The Easter Arts Festival visitors and buyers either live in the greater southern region of WA or are on holidays from further afield for the during the Easter break. The majority of the event’s promotional spend is also in this region. This means that if you are wanting to be seen and heard by a regional audience, then you are assured that your sponsorship investment will reach your target.

If these are the people with whom you would like to connect, then Sponsorship of the 2025 Easter Arts Festival would provide an intelligent spend in your promotional budget.

Measures of Success

Measuring the success of your Sponsorship comes in two parts.

What we will do:

- Take visitor surveys throughout the 9 day Easter Arts Festival. These will record both quantitative data – numbers of visitors, and qualitative data
- Measure social media and advertising, online traffic, visits to Sponsors' information on the website.

This data will be made available to you at the end of the Easter Arts Festival, as soon as it is gathered, collated, and analysed.

What you can do:

- Ask new customers where they heard about you and record this. It is not difficult to set staff up with a simple document that prompts them to ask a couple of questions and allows them to record the answers.

It is recommended that this would be done during and up to a month or more after the Easter Arts Festival ends. Between both sets of data you will be able to analyse the benefits of the Sponsorship to your organisation.

What also needs to be pointed out are what is immeasurable, that is, your enhanced reputation, word of mouth referrals, your standing in the community, and more. These are Public Relations benefits that help to support and grow your business.
